To participate in this project, your lace must have started after the March 2011 meeting. If you are doing a continuation of a lace you have already started you must mark the point from which you will continue and work two yards from that point. \*If you have laced two yards and you want to join the yardage club, you must not cut it off if you do not choose to. Just let the Yardage Club Chairman take a photo of your pillow and measure your lace.

Turn your lace strip, pricking, and project sheet in to the Yardage Club Chairman. All will be returned. Your lace will make you eligible to become a member of the **L.A.C.E. Guild Bobbin Lace Yardage Club** and we hope to see your lace on the edge of your mob hat or on your sleeves at your next demonstration.

You will be presented with a certificate at the next Yardage Club recognition; date to be announced.
