

Lacemakers and Collectors Exchange June 12-13, 2015

Co-Chairs Kanella Diakoumis and Nancy Jones presented us with a lovely schedule of activities for the day. The 2015 Lace Day was quite a success. We had classes, Vendors, Camaraderie, learning tables and exhibits.

Kathy Kauffmann taught the Withof Workshop at the Clarendon Hills Library from 9:30 a.m. to 4:30 June 12th.

This event happens once every two years. Guild members enjoy it to the fullest and then dream of the next one....

Lace Day on Saturday began early as the Vendors and members set up the tables, the exhibits and prepared the Hostess Table. By 4:00 p.m. it was as if it never happened.
